RE: Law Day 2007

Dear Keith:

On behalf of the Monongalia County Bar Association, I thank you for taking time out of your busy schedule this year to assist with our Law Day celebration and organizing the activities at North Elementary. Due to the success of this program over the past several years, a record number of elementary schools throughout Monongalia County now plan for our program as part of their yearly curriculum. I cannot express how much I appreciate your willingness to devote time to this program. Without your assistance, this yearly program would not be possible. Thank you!

Very Truly Yours,

Teresa J. Dumire
