# Duane Ruggier MS Golf Tournament

Lunch 11:30am Tee Time 1:00pm

3780 Sleepy Hollow Drive

Hurricane, WV 25526

Duane Ruggier was an otherwise healthy individual when he first began experiencing the debilitating symptoms of Multiple Sclerosis in 1995. The disease first began in his left hand and has since spread to his entire body. Living with the disease over the past 26 years Duane has gone from walking without assistance, to use of a cane, needing the assistance of a walker, and currently requires a power wheelchair.

Despite his physical limitations, Duane graduated from Marshall University and The WVU College of Law. He is now a successful attorney and Equity Partner with Pullin, Fowler, Flanagan, Brown & Poe, PLLC. Duane tries to be a positive change everywhere he goes, devoting a significant amount of time to making West Virginia more accessible to disabled individuals.

Duane's proudest accomplishment is his family. He is grateful for the love and support of his wife Jennifer and children, Duane III, Anthony, Isabella, Gabriel, and Hannah. "When you have MS, the entire family has MS, and I am more than blessed to have an entire family behind me." Duane is a strong advocate for maintaining an active lifestyle despite one's disability. He continues to be an inspiration to all those afflicted by Multiple Sclerosis.
